

UNGPs Status Assessment

UNGPs: Where does your company stand?

GLOBAL CSR now offers a UNGPs Status Assessment.

Our team of experts will evaluate your current CSR status against the global minimum standard for responsible business conduct, the UN Guiding Principles on Business and Human Rights (UNGPs).

Gain insight into how your company's CSR governance and activities align with the UNGPs. Understand potential gaps your company may have against the required management system for responsible business conduct and, receive specific recommendations for possible improvements. In addition, this assessment can assist you when reporting on your policy commitment and due diligence as required by the Danish Financial Statements Act.

Based on our expertise, GLOBAL CSR provides a concrete overview of your status and gives recommendations on how to incorporate these results through a final consultation.
